Retrospective Item and Survey Design for Workshop Evaluation

Presenter: Christine Bell, The LEAD Center

Brown Bag (ie, bring your lunch!) Presentation

Monday, October 8, 2018 @ 12-1:00 PM

259 Educational Sciences Building

Join Christine Bell to learn about and discuss practical solutions to these questions:

- What does the literature say about retrospective pre-post design?
- When are retrospective items a good fit for workshop evaluation?
- How do I align learning outcomes to retrospective items?
- What should the items look like on paper, in Qualtrics, etc.?
- What is the most useful way to report findings to my audience?
